

During September, it's all about love at Community Library of Allegheny Valley.

Once again, the Jack Buncher Foundation has generously committed \$200,000 in matching funds for any donation made to Allegheny County libraries in September. **We need your help to unlock the match!**

So many things have changed over the years, but one constant is your library. No matter the circumstances, the library is here for people, responding to the community's needs. And, as we welcome more folks back into our space, the library relies on the generosity of donors and library lovers like you.

[Please celebrate your love for Community Library of Allegheny Valley by making a donation today.](#)

This month, your gift goes even further thanks to the match provided by the Jack Buncher Foundation. All donations will receive a partial match, boosting your impact!

Your support is instrumental in keeping our libraries as community anchors and the bridge that connects people of all ages to books, information and each other as they learn and grow.

Please give now! Donations can be given [online](#), in person at the library or by mailing a check made out to CLAV at 1522 Broadview Blvd., Natrona Heights PA 15065.
